

# Medical Management Plan

## SCHOOL YEAR 2022-2023

# ALLERGY

Student Name: \_\_\_\_\_ Date of Birth: \_\_\_\_\_

Physician's Name: \_\_\_\_\_ Phone #: \_\_\_\_\_

Address: \_\_\_\_\_ Fax #: \_\_\_\_\_

Allergy To: \_\_\_\_\_ Asthma: Yes ☐ No ☐  
 \*Higher risk for severe reaction if student has asthma\*

### STEP 1: TREATMENT

#### Symptoms:

#### \*\*Give Checked Medication\*\*

\*To be determined by physician authorizing treatment\*

|                                                                        |                                                             |             |               |
|------------------------------------------------------------------------|-------------------------------------------------------------|-------------|---------------|
| If a food allergen has been ingested, but no symptoms                  |                                                             | Epinephrine | Antihistamine |
| MOUTH:                                                                 | itching, tingling, or swelling of lips, tongue, mouth       | Epinephrine | Antihistamine |
| SKIN:                                                                  | Hives, itchy rash, swelling of the face or extremities      | Epinephrine | Antihistamine |
| GUT:                                                                   | nausea, abdominal cramps, vomiting, diarrhea                | Epinephrine | Antihistamine |
| THROAT*:                                                               | tightening of throat, hoarseness, hacking cough             | Epinephrine | Antihistamine |
| LUNG:                                                                  | shortness of breath, repetitive coughing, wheezing          | Epinephrine | Antihistamine |
| HEART                                                                  | thready pulse, low blood pressure, fainting, pale, blueness | Epinephrine | Antihistamine |
| Other:                                                                 |                                                             | Epinephrine | Antihistamine |
| If reaction is progressing (several of the above areas affected), give |                                                             | Epinephrine | Antihistamine |

\*potentially life-threatening. The severity of symptoms can quickly change\*

| Epinephrine:<br>DOSAGE | Rout: IM<br>(circle one) | EpiPen®<br>0.15 mg OR 0.30mg | Auvi-Q<br>0.15 mg OR 0.30 mg | Generic Epinephrine Auto Injector<br>0.15 mg OR 0.30 mg |
|------------------------|--------------------------|------------------------------|------------------------------|---------------------------------------------------------|

#### Florida Statute 1002.20

Florida law states a student with life- threatening allergies may carry an epinephrine auto injector while at school and school- sponsored activities with approval from his/her parents and physician.

The above named child may carry and self-administer his/her metered dose inhaler.

**Continued Allergy Plan for (Student NAME)** \_\_\_\_\_

**IMPORTANT: Asthma inhalers and/or antihistamines cannot be depended on to replace epinephrine during anaphylaxis.**

Is your child compliant with their current treatment regime?

Yes ☐ No ☐

Does your child function independently with medication administration?

Yes ☐ No ☐

Are there any activity restrictions for your child?

Yes ☐ No ☐

If yes, please list: \_\_\_\_\_

**PARENT to Complete: Authorization for Health Care Provider and School Nurse to Share Information**

I authorize my child's school nurse to assess my child as it relates to his/her special health care needs and to discuss these needs with my child's physician as needed throughout the school year. I understand this is for the purpose of generating a health care plan for my child. I understand I may withdraw this authorization at any time and that this authorization must be renewed annually.

As the parent or guardian of the student named above, I request that the principal or principal's designee assist in the administration of medication/treatment prescribed for my child.

I understand that under provisions of Florida Statute 1006.062, there shall be no liability for civil damages as a result of the administration of medication when the person administering such medication acts as an ordinarily reasonable, prudent person would have acted under the same or similar circumstances. I also grant permission for school personnel to contact the physician listed above if there are any questions or concerns about the medication. I have read the guidelines and agree to abide by them. I authorize the physician to release information about this condition to school personnel.
