  - School Improvement plan that has been submitted to the district. It will be posted on the district and state websites once approved.
    - ELA – Students below the 25% will show learning gains of 50% or more in ELA. 100% of students identified below the 25% will attain their stretch goal measured by the Spring iReady Diagnostic.
    - Math – Students below the 25% will show learning gains of 60% or more. 100% of students identified below the 25% will attain their stretch goal measured by the Spring iReady Diagnostic
    - Culture & Environment – 100% of classroom will develop relationships that celebrate the child as a PBIS school using Capturing Kids Hearts strategies with a focus on heart first. All classrooms will build social contracts to help students recognize and use their values and commitments to facilitate a healthy, responsible learning classroom, and begin each day/class with sharing good news and goals to embrace relationships as the foundation to all learning.
    - ESSA Goal – The learning gap between the SWB (students with disabilities) wubgroup and the general education subgroup will be 10% or less in ELA and Math. All SWD will reach their stretch goal measured by the spring iReady Diagnostic
  - Finalizing Construction
    - Outside of the school is completely secure.
    - Working on stair treds, doors, and door handles
  - School Visitors
    - Mr. Forson is not comfortable opening schools to all visitors, yet.
    - Right now, it is essential volunteers only, people who can do things away from kids.

- We are waiting to bring in volunteers that will spend extended amounts of time with kids.
- We are excited to bring parents into school, but we are being cautious.
- The PTO is working within the same guidelines.
- This will be reassessed after winter break.
- Questions
  - Lisa Gaglianese – Thank you for the Veteran’s Parade. She is willing to help in anyway.
- Thank you, families, so much for your amazing support of our teachers/staffulty.

### **Funds Requests**

- Cindy Anderson
  - Attendance to attend the 2022 Share the Wealth Physical Education Conference in Jekyll Island, GA January 27 - 29, 2022. This is a learning conference to support all K-5 students and supports our culture goal by building teamwork, cooperation, and relationships
  - Questions/Comments:
    - Mrs. Reidl – Coach Anderson was selected as PIA’s teacher of the year. Celebration that 4<sup>th</sup> graders had taken a game that they learned in PE and organized it at recess.

### **For the good of the Group**

- How is the supply shortage affecting the school?
  - Instructionally, we are doing well. We have paper. We are still figuring out how to distribute paper.
  - Our construction, the finalizing of construction have slowed down, but this is across the district.
  - **food program**
    - We get what we get. We may plan on receiving shipments that we are not getting fully supplied so adjustments need to be made. This is why the menu is constantly changing.

- December 1<sup>st</sup>, paid lunches will be reinstated
- Thanking staffulty for how hard they are working. It is not easy to open a new school or teach during a pandemic, but she is very grateful. She hopes everyone has a great amount of gratitude for the PIA staffulty because they are doing a great job!

### **Next Meeting Date & Time**

- The next meeting will be held on November 23, 2021
