**Director for the District. It is a unique role. He showed us the Board Legislative Platform.**

**It is divided into 3 sections: State Funding, State Policy and Federal (sheet distributed)**

**#1. Teachers' salaries- continue to work on the veteran teacher salaries. It takes more than just the advocate, you can reach out personally, handwritten notes, lobbying and build relationships. Colin Kirkland will let us know where and when to target the messages to our legislators.**

**Alyssa's Law requires a school district to have a panic system in place in the schools.**

**Safe Schools allocation is not enough to pay for our resource officers.**

**The guardian program (2018) requires that you have a safe schools officer while students are in school. We decided as a district to have Sherriff officers or police.**

**Ms. Riedl was asked about teacher retention. As leaders, they try and protect teachers. Teachers leave for career change. Growth we have in St Johns is real in most of our schools. The Board tries to be creative to keep our head above water with the amount of growth in our district.**

### **Principal's Report**

- Amanda Riedl- Our Veteran's Day was fantastic even though we had to move the date due to the hurricane. The highlights and video will be on the Family News
