

Dear Pine Island Parents,

We hope you are all getting excited about your child's new adventure at Pine Island Academy. As the Extended Day provider, we are thrilled to be part of such a hard-working caring team and can't wait to meet all the new families this Fall. We will be in charge of the Extended Day program, both mornings from 6:30 am to the start of school and afternoons from dismissal until 6 pm. We are looking forward to having additional time since school gets out a little earlier, so we can add some more exciting activities that we can do in this extra time. We have already registered many new friends of all grade levels.

If you would like your child to be a part of this program, please register as soon as possible so that we can start the process of hiring the staff and the planning of groups and varied activities as well as the logistics to keep all of the children safe and everything running smoothly. We will not have a waiting list but will take enrollment applications and registration fees through July 12, 2021. At that time, we will stop accepting enrollments and will then evaluate the numbers and program needs specifically for the safety of our children.

The outside Vendor program is available to all the children at Pine Island Academy, and there is no extra charge involved in signing up for this program, other than vendor tuition fees. Your child does not need to be enrolled in Extended Day to attend an enrichment program with an outside vendor. The list below is a tentative schedule of outside vendors who will be working with the children in the afternoons. We usually begin the vendor program the first week in September. They start in the afternoon directly after school releases. If your child is not in the Extended Day program, you must pick up your child directly after the Vendor activity. If your child is enrolled in Extended Day, he/she will be brought back to Extended Day after the activity. Please feel free to contact any vendor you'd like and ask them questions about their program. The links to these vendors are on our website at www.villageextendedday.com. There will also be more information for you this summer.

Mondays: The Gift of Dance; Soccer Shots; Robotics; LEE Spanish

Tuesdays: Club Scientific; Bricks, Bots and Beakers; Training for Warriors; 904 Tennis

Wednesdays: Kidz Art; Skyhawks Sports Academy Golf; Engineering for Kids

Thursdays: Drama Kids; Challenge Island; S4 Sports; Kick StART

Fridays: Kids Can Code; Training for Warriors; Armada Soccer

Please remember to check out our website at: www.villageextendedday.com to find more information on our program and vendors, to contact us and to fill out paperwork for Extended Day.

Thank you and here's to a fantastic school year in 2021-22 at Pine Island Academy.
