

PIA NewSplash!

May 2021

Updates from Mrs. Riedl

Pine Island Families,

Welcome to May! The beginning of what “feels” like summer! Much too early for many of us, as the summer sun begins to heat up the days, I know our PIA team is gearing up for our extremely busy summer months.

The last month we have welcomed many new Kindergarten friends to the Pine Island family as families have been diligent with early registration. Thank you for working together as a community to ensure our newest Pine Island Dolphins are registered and ready to begin their educational journey in August. Making sure that our families have completed their registration is a priority to ensure we are staffed appropriately for the beginning of the year. Keep up the great work Dolphins!

We have begun our count down for school completion and are looking forward to sending updated pictures in June as we visit the site and see Dolphin Nation taking shape. You are going to love the color scheme of purple, gray, turquoise, and yellow! I can't wait to share update photos with you.

On the Dolphin Horizon, we will be sending families our summer reading challenge. Mrs. Jamie Masittii, our Media Specialist, has put together a fantastic way for both students and staffuly to take the adventure of reading through the Sunshine State Books. Stay tuned...

Included below – its time to order your school supplies. Our PTO has been hard at work as you know and have prepared the 21 – 22 school supply orders. Please use the link below to order your students school supplies for Pine Island. **School supplies are only available for K – 5 students.** Middle school supply list will be posted on our website in late June. I will make sure to communicate when middle school list are published on our website.

Additionally, please make sure to check out the Extended Day updates and list of enrichment opportunities for our students in the fall. Registration is open!

I know our students are working hard this month! A BIG THANK YOU to our families for continuing to encourage their kiddos, loving on them, and most of all believing in them!

Finally, thank you PIA families, for rallying behind your PIA school team as they prepare for the “greatest school on earth.” I can't wait until we meet at 805 Pine Island Road – Home of the Dolphins!

Forever “Fin”tastic,
Amanda Riedl, Principal

K-5 School Supply Lists for 21-22 SY

Pine Island Academy has partnered with 1st Day School Supplies to help parents and teachers get the exact supplies needed for rising Kindergarten through 5th grade (Middle School kits not available*). Place your order by July 1st! School Supply Kits will be delivered directly to your home over the summer. Pine Island Academy will not be offering middle school kits for purchase via 1st Day School Supplies. The middle school lists were not finalized prior to the deadline with our vendor. Our principal, Ms. Riedl, will release the 6th & 7th grade supply lists as soon as they are finalized! Thank you for your understanding.

Returning Student Verification

All families should have received an email from the district to verify returning students. Please make sure that you take time to update this information as it will ensure that we have the most updated numbers for PIA moving forward. This is extremely important in ensuring we are staffed for the 2021 – 2022 school year. Thank you!
