

# **PINE ISLAND 5<sup>TH</sup> GRADE BAND RESOURCE WITH MR. PANOFF**

The Pine Island Band seeks to engage young people in the art of making music through the learning of rhythm and melody. We strive to teach life lessons through music. Students will have the opportunity to play drums and recorder. In 5<sup>th</sup> grade they will pick an instrument to play in the band starting in 6<sup>th</sup> grade if they want to continue in music.

- Animals
- Portraits
- Space Art
- Japanese Prints
- Landscape
- Figure Drawing
- Still Life
- Word Art
- Abstract Art
- Sculpture

# Elementary Music

Scan to support  
the PIA Music  
Department

I teach elementary music because I want my students to LOVE music. There are so many genres of music that we will explore in various ways—through creative play, movement, and instruments.

In music class we get to practice important life skills such as teamwork and critical listening.
